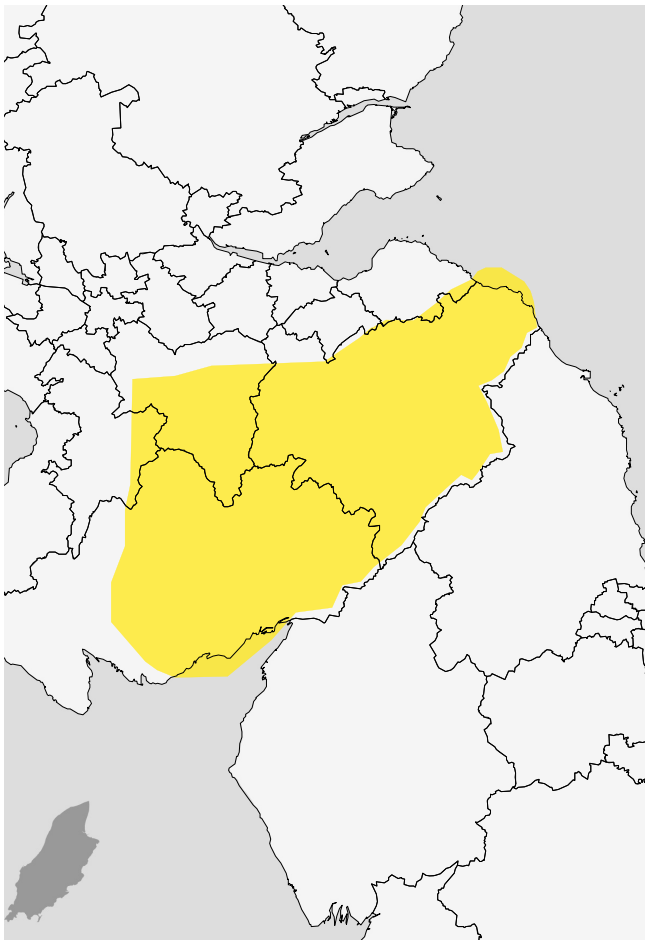
Yellow warning
Thunderstorm

Between
00:00 Wed 28 Jul 2021 and
09:00 Wed 28 Jul 2021



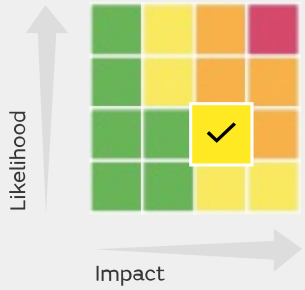
Thundery showers may lead to flooding and transport disruption.

What to expect

- Flooding of homes and businesses could happen quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- Some communities might become cut off if roads flood
- Power cuts might occur and other services to some homes and businesses could be lost

Further details

Heavy showers and occasional thunderstorms are expected to continue through the early hours of Wednesday before drier conditions spread from the southwest by mid-morning. Where showers occur, 20 to 40 mm of rain is possible in a few hours. This may cause localised flooding, especially across urban areas. Lightning may pose an additional hazard.



Low likelihood of medium impacts
